

MT EVELYN JUNIOR FOOTBALL CLUB INC.

Friday 3rd September, 2010

The development of our players is paramount to us at the Mt Evelyn Junior Football Club.

The professionalism of the **Plan to Win Team** helped us achieve this major goal, by educating our coaches and helping us keep up with the new and exciting trends in junior football coaching.

The **Plan to Win Team** has always been available if and when our coaches needed a hand or a problem solved.

Junior football coaching can be a very daunting prospect for new coaches, throwing many curve balls at us throughout the season. But with the **Plan to Win Team** behind us every problem was easily fixed due to their knowledge and understanding of Junior Football.

I would like to thank the **Plan to Win Team** for their dedication to our club and look forward to working with them in the future.
